

Sport's Grant Plan

<u>Objective</u>	<u>Action</u>	<u>Sustainability</u>	<u>Impact</u>
To develop and increase the confidence, knowledge and skills of all staff in teaching PE and school sport.	Specialist Sports coach to lead PE lessons. CPD for school staff developing skills and knowledge in different areas of the PE and sports curriculum.	Increased knowledge for future years. The impact of CPD to be shared with the rest of the staff and the ideas to be utilised in future years as staff build these into their existing planning and assessment	
To continue to expand the range of after school and lunch time clubs available to children in years 1-6.	Sports coaches, teachers and lunchtime staff to provide teaching in a variety of different sports, for example football, netball, dodge ball, athletics and multi-sports. Develop and implement a healthy active lifestyle.	Positive attitudes developed towards PE and physical activity will stay with the children. Children to adopt healthier lifestyles.	
To continue to increase participation in competitive sport through School Games and as part of Primary Cluster.	Coaching after school and at lunch time for netball and football. Participation in local leagues and other competitions.	More children are inspired by the successes of our teams. More children are encouraged to join further clubs to develop their skills.
