

## What was life like for Anglo Saxon women?

Label each card as good or bad and complete the sentences below.

Women could own land for themselves and did not need a man for money.	Lots of men did not like women being rich so attacked and sometimes killed them.
Rich women did not have to do any hard work and had lots of fun hobbies.	Women could divorce their husband if they had been bad during their marriage.
Monks (men) and nuns (women) were treated the same in churches.	Skeletons of Anglo-Saxon women show that some had to work very hard in their jobs.
Women were sometimes forced into slavery by bigger, stronger men.	Women could own their own house and sometimes paid people to work for them.
