

Discovery Quest

6th - 10th April

L.Q. How does Van Gogh use colour to reflect mood in his Sunflower painting?

Have a look at Vincent Van Gogh's famous Sunflower painting.

What mood does the colour yellow of the sunflowers represent?

What do the sunflowers represent?

How does this fit with the change of seasons?

Your task is to make an Easter card which represents spring. You may want to recreate Van Gogh's sunflower painting for the front of your card.
