Read the following passage:

The Listeners

'Is there anybody there?' said the Traveller,
Knocking on the moonlit door;
And his horse in the silence champed the grasses
Of the forest's ferny floor:
And a bird flew up out of the turret,
Above the Traveller's head:
And he smote upon the door again a second time,
'Is there anybody there?' he said:
But no one descended to the Traveller;
No head from the leaf-fringed sill
Leaned over and looked into his grey eyes,
Where he stood perplexed and still.

by Walter De La Mare

Q1. Which **two** things are true about the Traveller? Select two.

1. He leaned over from the sill.

11. The teacher will then add comments to your work, giving feedback. Go back onto the work after the deadline to see feedback added to the document.
