

18. 5. 20

Dear Year 4/Parents,

This week's work for Maths includes the 5 a day activities and new activities from White Rose, there are short lessons (videos) on their website which are free to view. I have attached the worksheets that go along with these lessons on our Home learning tab with all of the other Year 4 tasks. Log onto the website then click Year 4 and you will see the lessons- Week 5 w/c 18<sup>th</sup> May - <https://whiterosemaths.com/homelearning/>

Remember the weekly '2 do' multiplication task on Purple Mash and the activities on Times Table Rock Stars as well.

The English tasks this week are based on the text 'How the World Began' on the Oxford Owl website- <https://www.oxfordowl.co.uk/> There is also a Reading Comprehension task called 'The Enchanted Sword.' - read the text and discuss any unfamiliar words with an adult then answer the questions.

I would like you to complete a log of the books you have been reading. We have been away from school for 8 weeks so I am sure you have read a few. (See the separate sheet) I have enjoyed having a little extra time to read, I'm looking forward to seeing who has read the most books.

I have added some information about the history of Cadbury's for you to read. I would like you to look at information for John Cadbury and make a fact file about him. (See the separate sheet)

Thank-You Charley for your video, Joel for your work and photographs, Spencer for your photographs and Gabby for the update and photos, it was lovey to hear from you.

Times Table Rock Stars leader board- These are the children who have been playing the most during the week and contributing to the battles.

1<sup>st</sup>- Abbie, 2<sup>nd</sup>- Joel and 3<sup>rd</sup>- Rhys

Well done Y4! You won the battle against Year 3 and the battle against Year 5 again this week! Keep up the good work!

Keep reading and practising your times tables

I look forwards to your e-mails with any work you have completed or to hear about what you have been up to during the week.
