

W.B 18th May

Dear Year 5 and parents/carers,

It has been lovely to have work sent to me and sharing activities that you have been doing at home. As from this week, we are entering into our summer term week five. *You will find this week's home learning under Summer week five '18.5.20'.*

If you haven't already please decorate a stone at home for our hope garden, drop it off or bring it on your first day back at school.

Please also create your lockdown handprints and send pictures of these to me. This is an example from Summer (Thanks Summer ☺).

Top 3: TTRS as of 14.05.20.

Alfie

Jorja

Jack

Well done to **Jorja, Bianca and Kieron** who were the most valuable players. Please find your certificate on TTRS you can download. We won Y6 (woohoo) ☺ however lost against the teachers and Y4.

Thank you to **Dylan, Abbie and Kaiden** who have been active on classroom secrets. I would like you all to log on next week and do one task and send to me please.

We understand that 'White rose Maths' some of you have been having issues accessing worksheets. The tutorial videos are still accessible on the White Rose Website, the supporting worksheets, we will now upload separately by us, under our classes work.

This week shout outs.....

Sophie has purchased some English and Maths workbooks and is working her way through them. Well done!

Summer has been busy baking (looks yummy) and has created her stone for the hope garden. ☺

Well done to **Mason** who is regularly logging on to purple mash and completing 2dos. He is also completing his 5 a day.

Well done to **Jenson** who is also regularly logging on to purple mash and completing 2dos.

Great 5 a day and English work from **Jorja**. She is also regularly on TTRS trying to improve her score. Jorja has also made a wonderful painting.

Jack has been working hard and designed an amazing Ferris wheel as part as our DQ topic and great news report for English.

Thank you to those for sharing with me what you have been getting up to at home. I know it is difficult for some of you to do school work at home and find that motivation so little and often seems to work well. If any work or activities have been completed please email to me on jclarke@lit-bloxwich.walsall.sch.uk

Can I just remind you that next week is May half term (W.B 25th) so I would really like the children to have a well-deserved break from home schooling before we start summer 2. There will be no work uploaded on the website, however if they still wish to do work they still have the use of the websites (TTRS, white rose, purple mash and classroom secrets).

I wish you all a great week and hope to see you soon. .

All the best from Miss Clarke ☺
