

Continue with your number formation.

Can you make your own number line starting from a different number?

Play a game with people at home. Write a number line with missing numbers. Can you spot which ones are missing?

Complete the 5 a day (see the separate document)

Can you make your own number bond Easter eggs? Cut an egg shape in half and write on two numbers that make 10. I've done one to show you...

Challenge - Can you make number bonds to 20?

Reception Maths Tasks

Week Beginning 13th April

Months of the year

How many months are there in a year?

What month is your birthday?

Keep singing our months of the year song.

https://youtu.be/5enDRrWyXaw?list=P_Lqy4y60m_3BsDssdzvrCueih05Tc-lj8

Learn to count in 5s.

<https://youtu.be/amxVL9KUmq8>

Keep dancing and singing along counting in 2s, and 10s. (Links on our previous Maths tasks sheets)

Keep counting in 1s.
What number can you count to?
