

Remember there is a link to Times Tables Rockstars (where you'll find Numbots), Classroom Secrets and White Rose on our website. These all have activities for your children.

Roll 2 dice

Which number is more and which is less? If you don't have dice use this link
<https://dice.virtuworld.net>

Reception Maths Tasks

Week Beginning 30th March

Continue with your number formation.

Pick 4 numbers. Can you write them in order from the smallest to largest?

Have a go at this one to get you started....

12 6 10 2

Draw around your hand and cut it out. What things can you measure around your home using your hand?

How many hand spans' long is:

your table, your bed, a chair

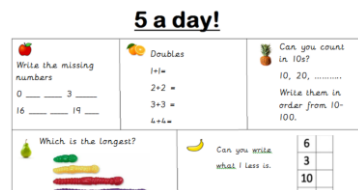

and your tv?

What else can you measure?

Why not make your own tape measure.

Complete the 5 a day (this is in a separate document)

Can you count in 2s?

2, 4, 8 ...

Sing along with the video
