Oxford OWL Other good reads

'Wow!' said Harry. 'Wish we could get closer and have a good look. Would you like to touch it, Jack?'

'Touch it!' cried Jack. 'You must be crazy.'

He didn't want to tell his brother, but he was dead scared just looking at it. 'Hey look! There's Old Tin Hat. Watch out. He'll see us.'

Old Tin Hat, the air raid warden, was on duty. It was his job to keep people out of the way until the bomb disposal team arrived. He had roped off the site, and no one could get anywhere near the bomb.

He always chased the boys off. 'You'll get killed, one day!' he'd yell.
