

Reception Parents,

First week of home schooling done and I am sure you are all doing a fantastic job.

You will find some new Maths and English tasks as well as our home learning sheet uploaded for this week. Do look at the other activities on our website too.

This week I wanted to share this quote with you...

Playing is a real key part of learning so remember to keep playing and having fun.

This link takes you to a list of 15 activities to help your child learn through play.

<https://www.sitters.co.uk/blog/the-15-best-activities-for-children-to-help-them-learn-through-play.aspx>

Here are some of my favourites:

* Water play (this can be in the sink a washing up bowl or the bath!)

*Drawing and painting

*Music, dancing and singing

*Board games

*Cooking or pretend cooking

*A cardboard box

Keep safe and keep strong.

Mrs Chantler
