

Week beginning 20th April

Dear Year 2 and parents

Hello! Hope you have had a lovely Easter and you haven't eaten too much chocolate, like me.

It has been really lovely to see what you have all been up to. Lots of you have been in the garden, you have been baking cakes and I have loved seeing the science, English and maths work you have been doing. Please keep in touch, my e-mail is hallan@lit-bloxwich.walsall.sch.uk.

This English and maths tasks are on the home learning tab.

- **Jude continues to lead the Times table Rockstars leader board but Leo, Lauren, Alice and Patrick are close behind.**

Creative activity

This week is the Queen's 94th birthday and it is St George's day. I would love to see a birthday card that you could send to the Queen.

To celebrate St George's day, you could make some bunting with St George's flag, you could make a sword and shield, you could create a fact file about why we celebrate it.

I hope you have a lovely week and I look forward to hearing off you. Stay safe.

Mrs Allan
