

Week beginning 30th March

Dear Year 2 and parents

Hello!! I hope you are all well and keeping safe. As stated in the letter from school, I will be setting English tasks, maths task and a Discovery Quest or science task. If you want to change the format of anything I have set, feel free.

If any work has been completed please e-mail it to me, if you can. I would love to see what the children are doing, even if it is not related to any work. My e-mail is hallan@lit-bloxwich.walsall.sch.uk

This week I would like to set the children a science task. In science, they will be looking at animals and their habitats. I would like them to create a poster about HABITATS!

Watch this you tube clip: <https://www.youtube.com/watch?v=ZrSWYE37MJs>

Now watch it again and think about:

What is a habitat? What must a habitat provide for the animals?

Explore these 4 habitats:

Polar Habitat: <https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/z3sr4wx>

Ocean Habitat: <https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zsfkd2p>

Woodland Habitat: <https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zc42xnb>

Rainforest Habitat: <https://www.bbc.co.uk/bitesize/topics/zx882hv/articles/zxdsvcw>

Make sure your poster has:

An eye catching bold title

Use neat, cursive writing

Include 4 different types of habitat

Use punctuation (Capital letters, full stops, ?, !)

Include drawings/diagrams

Tell the reader what a habitat is and what it needs to provide.

I will post the English task on the on line learning tab separately.

Each week, I am going to post a letter to you and the children with some 'shout outs' on. This will be the children top of the times table rock stars or someone who has e mailed me something they have done at home.

Shout Out to

Jude

for being top of year 2's Times table Rock stars on 27.3.20!!

Shout Out to

Thomas

For amazing maths work

Shout Out to

Scarlett
