

Writing task, week beginning 30.3.20

Dear Year two.

Last week I received this letter from the Bog Baby. He has found a new home and is safe! I think it would be lovely to write a letter back to him. The last task you did, I asked you to include conjunctions. Have another practise and try to include some into your letter.

These sentences need to be about 'The Bog Baby'.

if	when	but	because
----	------	-----	---------

E.g. **If** you hadn't have run off, we could have looked after you.

We missed you **because** you were kind and funny.

Also try to include exclamation marks and question mark to make your writing exciting.

I look forward to reading your letters.

Mrs Allan

Hello Year 2,

I hope you are all keeping safe. I have found a garden by my new home and I've been enjoying the sunshine and flowers. There are even a few bluebells for me to swing on!

I haven't found a pond to swim in. I don't know what I can do if it starts raining. What do you think I could do?

I would love to hear your ideas.

I hope you are all enjoying the very different days we are having. Keep safe.

Love from

Bog Baby
