

HOME LEARNING

Hello again Y3! I hope you're well and thank you for all your home learning this week some of which is here for you to see! I hope you had some fun family time on Friday's bank holiday.

William's 5-a day

Tuesday 5th May **5 a day!**

<p> Use a 2020 calendar to help you. Which have more days in total: March and April or July and August? <i>July and August</i></p>	<p> Put < or > between the number pairs below:</p> <p>173 > 117</p> <p>151 > 115</p> <p>124 < 224</p>	<p> Complete the sequence by counting in 3s:</p> <p>18 21 36 33 30 27 24</p>
<p> Which shape shows 3/4?</p>	<p>Shape A: </p> <p>Shape B: </p> <p>Shape C: </p>	

Lewis' wanted poster

Well done to those of you who're working hard on trackstars. Remember to play the Studio game to improve your position. Well done to Kevin who's still in first place, Lewis who's second and Billy who's third in Year 3. Have a great week and keep in touch!
