

## *Year 3 class letter week beginning 6<sup>th</sup> April*

*Dear Year 3 children, parents and carers,*

*I hope you are safe, well and have been enjoying your first two weeks of home learning. I know it is a very strange time especially as we begin Easter.*

*If you have completed any of the work set on our school website or other work you can email it to me on*

*[cperks@lit-bloxwich.walsall.sch.uk](mailto:cperks@lit-bloxwich.walsall.sch.uk)*

*For the next two weeks I have set the usual 5 a Day maths work and a writing project for each week. There are also a few extra fun pieces of work for you to try. I have included the list of Year 3 and 4 spellings which we use in class if you are keen to improve your spellings.*

*Please keep reading and practising your times tables. Well done to those of you who are working hard to improve on ttrackstars. Well done to Kevin who is currently in first place, Lewis who is second and Billy who is in third place overall in Year 3. Also, congratulations to Scarlett, Ruby and Lewis who have won certificates for competing in the battle between Band Year 3 and Band Year 4. Unfortunately, Year 4 won this week but keep trying.*

*Wishing you a very happy Easter.*

*Best wishes*

*Mrs. Perks*
